FORMAT AND CONTENT OF TRAINING

- a. The Contractor shall provide written materials (i.e., manuals, handbooks, texts, etc.) normally provided with course offerings. Such documentation will become the property of the student upon completion of the training class.
- b. ****If applicable**** For hands-on training courses, there must be a one-to-one assignment of IT equipment to students.
- c. The Contractor shall provide each student with a Certificate of Training at the completion of each training course.
- d. Course Title and Brief Description:

Course Title	Application Specific Ear Impression Techniques (Necessary for WESTONE'S ACCES communication system)
--------------	--

Abstract	This class instructs the user on proper impression techniques required for the production of custom earpieces for the ACCES communication system. The class consists of lecture, discussion and hands-on training in impression taking. The techniques taught follow the general procedures and practices common to the hearing healthcare field and related information for proper use of the ACCES communication system.
----------	--

Specific techniques pertain to products developed for specific applications. Products include, but are not limited to, hearing protection devices such as solid custom molded attenuators and ACCES (Attenuating Custom Communications Earmold System).

Duration	1/12 days
----------	-----------

Prereq's	None
----------	------

Minimum	10
Maximum	12

Location	Westone Corporate Headquarters, Colorado Springs, CO
----------	--

Schedule	No set schedule - classes held as needed/requested
----------	--

Price	\$220.88 per student
