

# Westone Monthly Credit Card Program

You are probably aware that Westone accepts Visa, MasterCard, American Express and Discover for payment. However, did you know that Westone has an automatic monthly credit card program that can save you time?

We know that you have a hectic schedule, and we'd like to make at least one thing out of your day a little less time consuming. Every month you receive a statement from Westone, and every month your time is taken either writing a check or calling us with your monthly payment. The monthly credit card program can simplify this process by automatically charging your monthly activity to your credit card.

Just one time! That's how many times we'll need to ask you to provide us the appropriate information. We do the rest - every month!

So, if you like saving time and are interested in benefiting from this program, please let us know by filling out the information below.

For full program details, call our accounting department at 800-525-5071
